# Why Enolve Vision:

## PARTNER APPROACH

As a participating provider in the Enolve Vision network, you will be partnered with a payor who can deliver patient volume and be viewed as a valuable member of our excellent vision care and eye health delivery team.

## OPTIONAL LAB

Enolve Vision encourages providers to utilize their lab of choice when fulfilling eyewear. You will not be required to use a designated lab for any eyewear benefits administered by Enolve Vision.

## EYE HEALTH MANAGER FUNCTIONALITY

Enolve Vision offers a streamlined website, free of charge, to participating providers to file claims, check claims status, eligibility and other tools.

## SELECTIVE PARTICIPATION

Participating providers may choose to provide routine and medical eye care services (to the full scope of their licensure), glasses, contacts or any combination of these services for select Enolve Vision administered plans. Providers also have the option to participate in future offerings; participation is never mandated.

## DECREASED ADMINISTRATIVE BURDENS

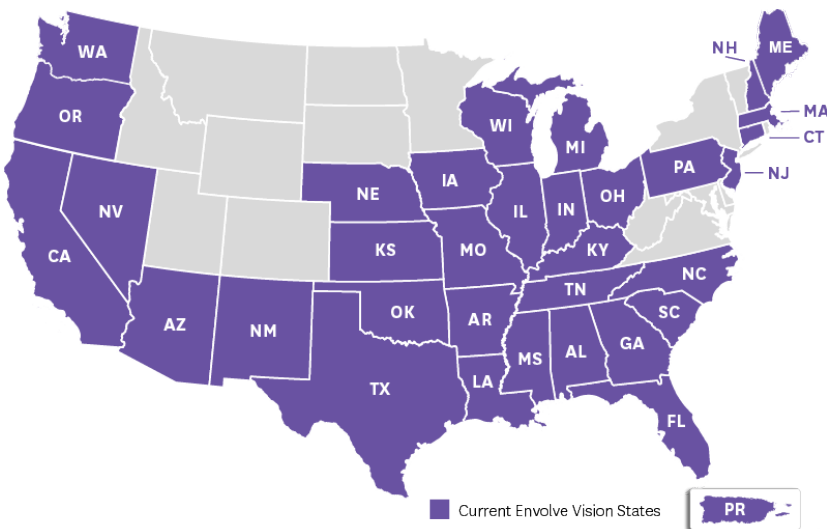

Participating providers have access to convenient online services to verify eligibility, submit claims, check claim status, view policies and procedures, and print EOPs.

## PARTNERS WITH PAYSAN HEALTH

Enolve Vision has partnered with PaySpan Health to deliver Electronic Funds Transfers (EFTs), Electronic Remittance Advice (ERAs) and much more.
